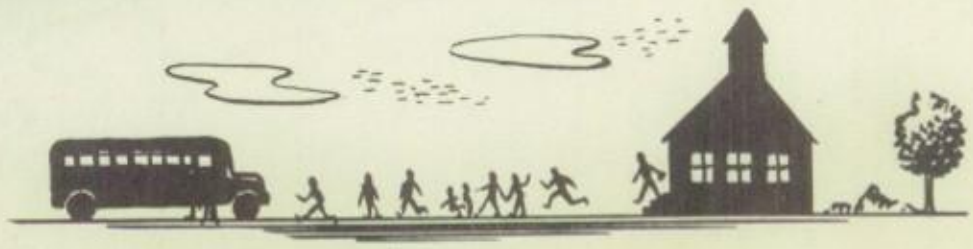
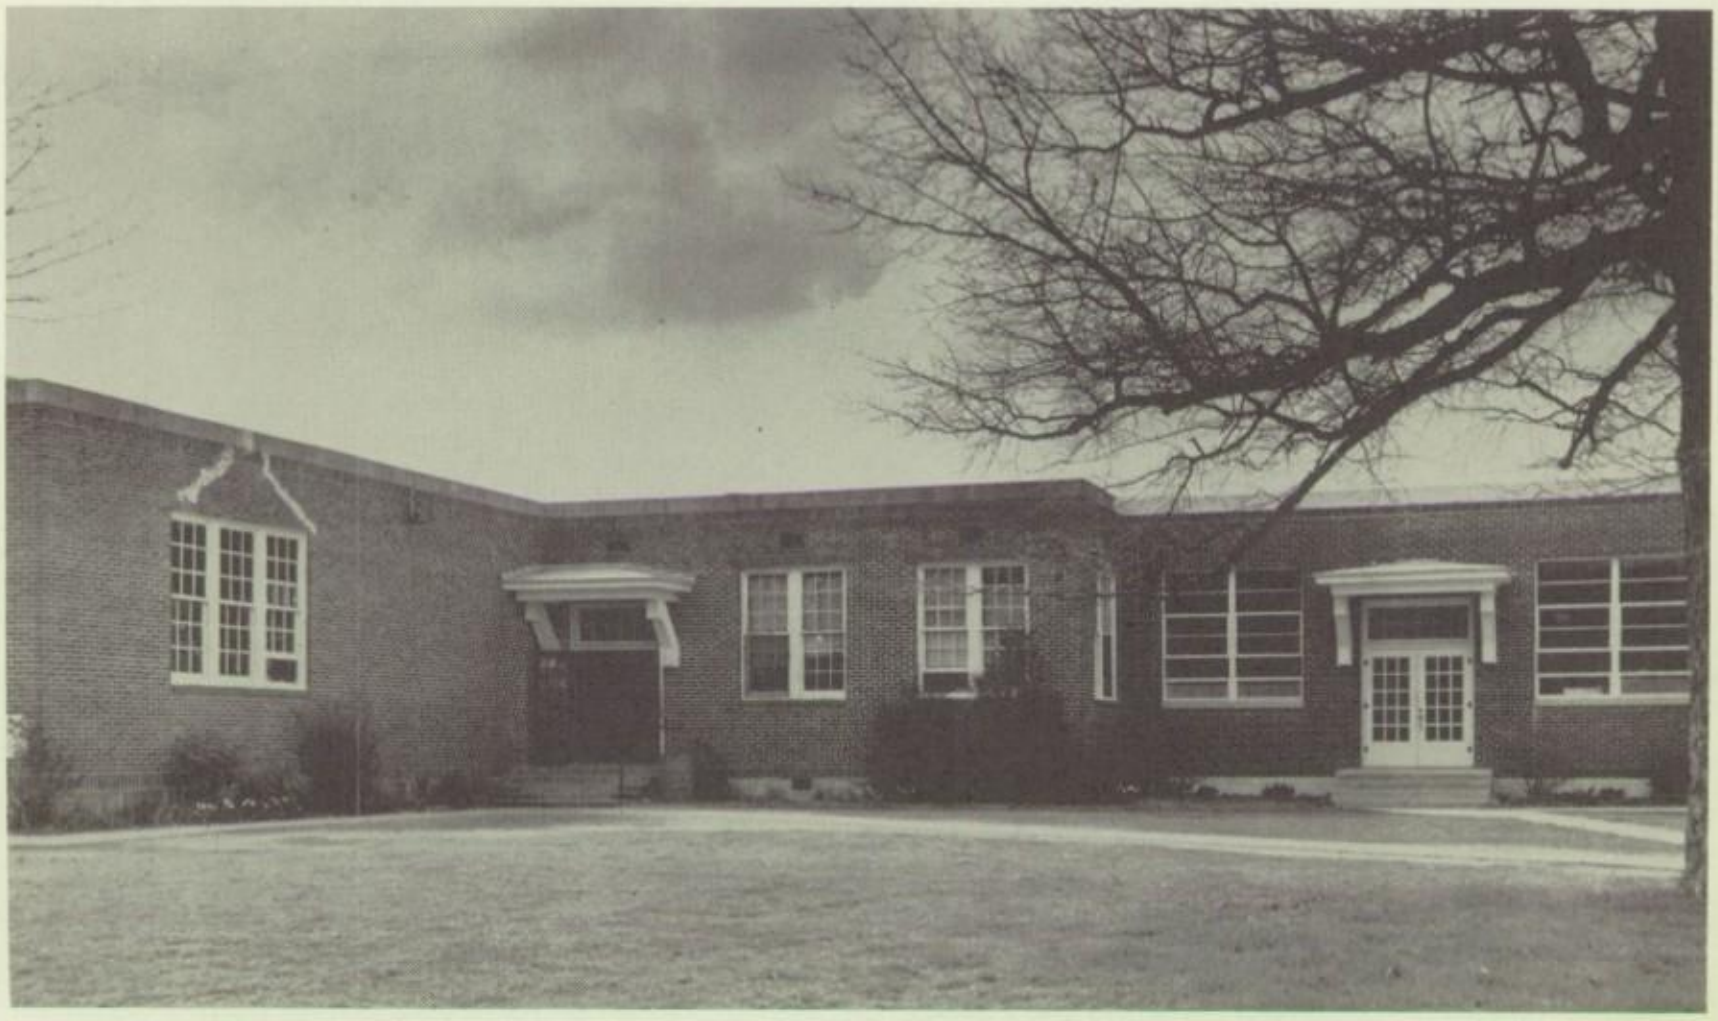
Dedication

In appreciation for our school buildings, and our school system, we, the DRAGON Annual Staff, wish to dedicate this issue of the GOLDEN DRAGON to our parents, to our teachers, and to all the people of Junction City School, District 75 who have made our graduation possible.



Foreword



Through these portals, we, the class of 55, entered four short years ago. These have been full years--years full of activities, joys and disappointments, excitement and discouragement; through all, however, has run a continuous strain of happiness that has made a rich imprint upon our lives.

We have earnestly endeavored to present a pictorial history of high lights of the year's activities in these pages of the 1955 DRAGON.

Now, we, not without some feeling of reluctance, prepare to go. Others come forward to take the places that we have held as citizens of J. C. High.

Time Marches On!

ALMA MATER

J. C. High, our Alma Mater, to thee our toasts we raise, with loyal hearts and open mind we sing our songs of praise. Her buildings stately round us stand, a memory we hold dear. With love and hope we make our pledge to Junction, our Alma Mater.

The boys in purple and in gold, they keep our spirits high, they too have pledged allegiance to keep her banners high. They love her halls, her grounds, and to her standards they'll be true, forever more they sing their praise to Junction, their Alma Mater.

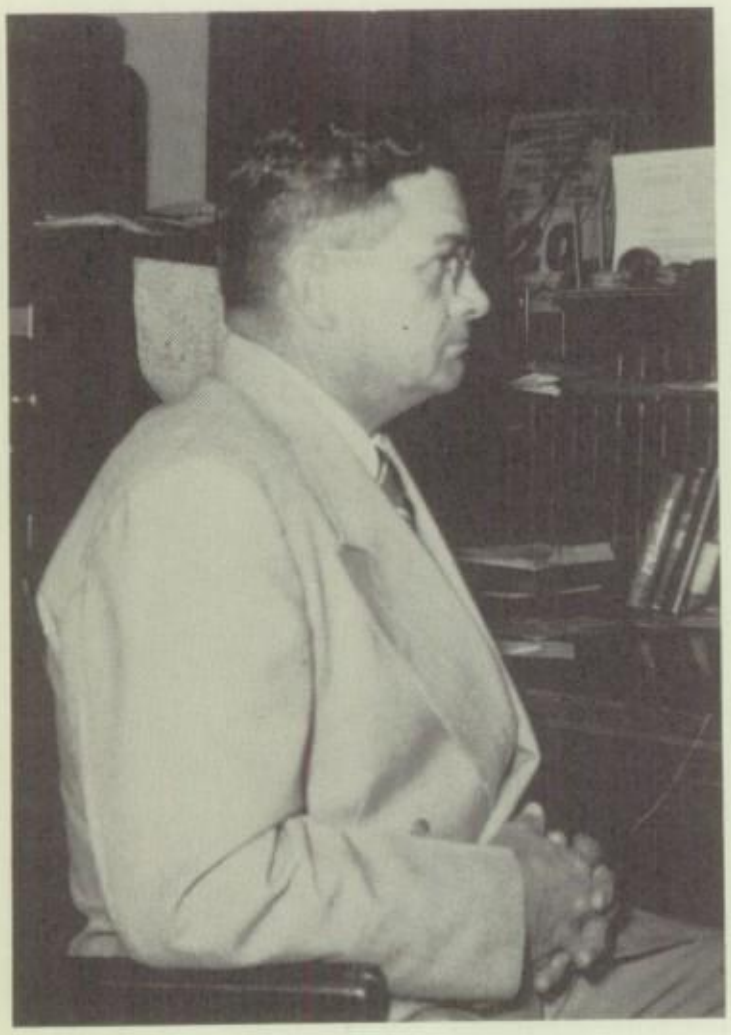
Superintendent's Message



Dear Students:

Democracy is the hope of a free world today--and democracy's greatest ally is unity of thought. If we are to be responsible for making democracy continue to work, then we must practice it in both thought and deed in our daily lives.

Such as are your habitual thoughts such also will be the character of your mind, for the soul is dyed by the thoughts.

Sincerely,

R. L. Bolen

Principal's Message

To the students of Junction School:

Congratulations to the DRAGON staff, their sponsor and to the many individuals who have made contribution toward this project. Students will derive much pleasure from the '55 DRAGON production.

As principal of Junction City School, it is my sincere desire to continue to have a good school and to grow even better each year. May each student develop the proper pride for his school and do those things which will be a credit to you, to your school, to your community, to your state, and to your nation.

Sincerely yours,

G. M. Haynes
